Dear Doctor:

It is just like you to take the time to send me clippings from the Los Angeles Herald-Express in connection with the recent decision of the Court in the Board of Education cases and I am deeply grateful for this.

I do hope that by this time Mrs. de River has improved. Hers has been a long seige not only for her good self but for you and the children as well. I hope the New Year will bring a deserved change for the best.

Hope to see you when the Court is in Los Angeles in April.

Cordially and Sincerely,

Thos. P. White
